

## Smart Meter Health Impacts Testimonial

*While the utility companies maintain that the meters are safe, stories like yours are the living proof that this is not true. The EMF Safety Network is in the process of compiling Smart Meter health Impact stories, posting them on our website, saving them for possible use in a lawsuit, and for sharing with the media. We would love to have your support for this. Towards this end we have created a form and ask that you please consider the following:*

This is to certify that I, \_\_\_\_\_, agree to allow the EMF Safety Network to use the story that I submitted as written and signed as follows:

(Insert story or comments here followed by Initials and county, state.)

1) I give EMF Safety Network the right to post my story on their website, or use in print material as written above. (yes) (no)

2) I give EMF Safety Network permission to give my name and contact information to the media (newspapers, magazines, and television) and I agree to be interviewed for stories about smart meters (yes) (no) If yes, please provide your full name, and contact information, including phone:

3) I am willing to testify and to be listed as a plaintiff in a lawsuit. (yes) (no) If yes, please provide your full name, and contact information, including phone:
