Subject: New meter

Please check something out for me. Just had a "smart meter" installed at Sea Ranch. And, now I have the bill for the first month. Something is screwy. The bill says we used 973 KWH versus 438 for the same time period one year ago. Yet, there was no one at the house during the most recent 30 day period. Nor was there anyone there one year ago. Obviously, something is wrong. I would like an explanation. My account number is Redacted (which is a consolidated bill--electric at SR, gas in Sac). Thanks.
